CARE & EDUCATION

"The team has consistently exceeded my expectations by providing compassionate care, fostering a sense of community, and supporting EL through challenging times including attending to her religious belief. Their ability to come together as a cohesive team has been instrumental in helping EL navigate her journey of self-independence. The team's efforts to keep EL engaged with meaningful activities and outings, even during times of loss, have been truly remarkable.

It is heartwarming to witness EL's transformation from merely existing as a special needs person to a young woman volunteering her love to work, and this is all because of the dedication and care of the Belvoir Lodge team. I am particularly grateful for the personalised attention and inclusion of myself in EL's journey. The recognition of EL as 'House Champion' is a testament to the team's commitment to understanding and fulfilling her needs and desires."

- Family of individual we support

"People living at Belvoir Lodge are cared for safely. Staff received training in Safeguarding and felt confident to raise concerns. People were supported to take part in activities they enjoyed throughout the day and week." - CQC Report
