

Greenways is a 16-bed residential care home in Pinner, supporting adults with learning disabilities, mental health issues, and complex needs.

## Introducing Greenways

At Greenways, everything we do is shaped by the people we support – their choices, aspirations, and individual needs. Our person-centred approach ensures that care is tailored to each individual, helping them build on their strengths and develop new skills to live as independently as possible. We work closely with each person to set meaningful goals and provide the support they need to achieve them, creating a home where dignity, opportunity, and personal growth are at the heart of everyday life.

## Highlights

- Leafy surroundings with a private garden for outdoor activities
- Two communal areas with lounges, kitchens, dining spaces, and activity rooms
- 5–10 minute walk to the local village
- Close to supermarkets, restaurants, medical facilities, and parks
- Excellent transport links: bus stops outside, train stations in Pinner and Hatch End

## Planning for the Future

When the time is right, we can offer a clear pathway to greater independence. This may include accessing one of our Supported Living or Outreach services, ensuring continuity of care and support. We believe every person deserves the right level of care in an environment that reflects their needs, wants, and wishes. Our team works closely with individuals, families, and professionals to design tailored transition packages that make the move as smooth and positive as possible.

Talk to us about how we can work together to deliver the best outcomes for the people you support.

## Our Services

- Outcome-focused and person-centred.
- 24/7 residential care.
- Activities tailored to each individual's interests, both in the home and in the wider community.
- A holistic approach, with care and support plans developed in collaboration with each person, their family, and healthcare professionals.

## The Team

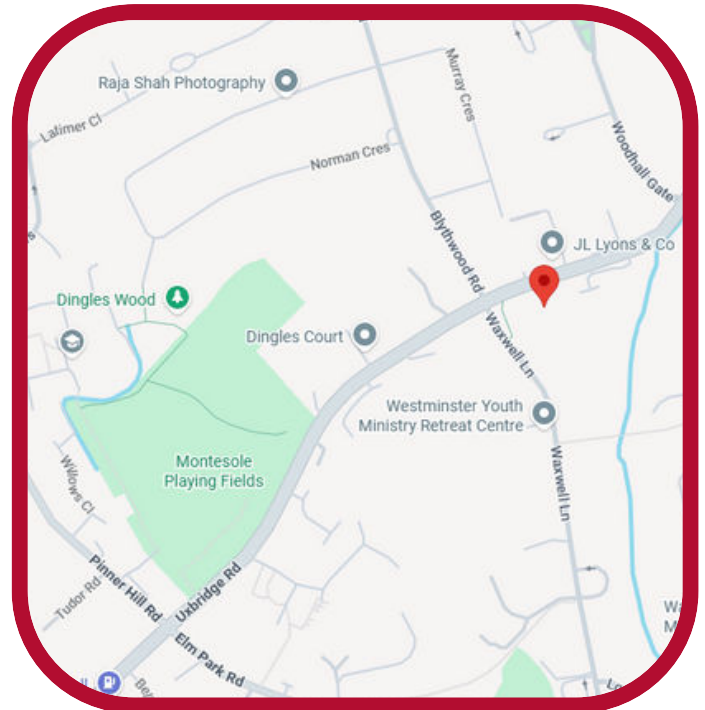

At Greenways, our experienced Home Manager leads a dedicated team of qualified care and support professionals.

"Your team have always made me feel very welcome, and are all courteous and respectful during visits.

We work well as a team...and the staff are professional and competent in their handovers.

I have also visited a few of your residents, and when talking to them they always seem happy, well dressed and gave me good feedback about your team."
