Plus, with our own minibus, exciting trips are part of everyday life!

About Oakleigh Lodge

At Oakleigh Lodge, we support you with everyday tasks like washing, dressing, medication, and meals – but it's so much more than that. We take a person-centred approach, empowering you to live life your way and be at the heart of your care planning. Our trained team delivers flexible, high-quality support tailored to individuals with physical disabilities, learning disabilities, and complex health needs. You'll also have the opportunity to enjoy a wide range of activities – from cinema trips and seaside visits to music festivals, sensory experiences, or a cosy movie night in!

At a time that is right, we are able to offer a pathway to further independent living. This might include accessing one of our Supported Living or Outreach services. We strongly believe that every person we support should receive the right level of care in an environment that meets their needs wants and wishes. Please talk to us about how we can work with you to develop a transitions package.
