SALUTEM WE ARE HUMAN KIND
CARE & EDUCATION

Our Services

- Are outcome-focused and highly person-centred.
- Provide Monday to Friday support at the services and in the community.
- Provide activities tailored to the interests of the individuals we support.
- Are holistic, with person-centred care and support developed in collaboration with the people we support, their families and a multi-disciplinary team of health care professionals.

The Team

The team is led by an experienced Manager with many years of supporting people with learning disabilities and complex needs. The staff team are committed and focused on meeting the needs of the people they support.

A fabulous centre with excellent staff!!! Adults are able to voice their opinions and engage in a wide range of activities, allowing them to nurture and develop new skills."

- Facebook Review

"I've I have felt compelled to send up an email recently regarding the staff who work at Cwmbran. I must say I find the staff who work there professional and caring. Always for the service users and towards myself when I visit. It's a pleasure to witness this on my visits and encouraging to see. So, thank your team for me for their approach and welcome."

-Deputy Clinical Lead
