

Forest Haven is a registered location offering 24-hour support, specialising in supporting adults with autism, learning disabilities, high acuity, and complex behaviours. The home is situated close to Chingford town in the London Borough of Waltham Forest on the edge of Epping Forest.

Introducing Forest Haven

Forest Haven is a 24-hour residential home, supporting up to five adults with learning disabilities, autism, high acuity and complex behaviours. We support people living in Forest Haven to lead active lives in which their individuality, independence, dignity and respect are maintained. We fully embrace person centred planning, ensuring the person we support is at the centre in the delivery of our high-quality care and support.

The individuals we support at Forest Haven are encouraged to participate in a wide range of activities in the community, including attending college, bowling, visiting the cinema, playing golf, eating out local restaurants, going to the gym, and swimming. Activities in the home include football, basketball, gaming, and music sessions.

About Forest Haven

- There are two ground floor rooms in the main house and two more bedrooms on the first floor.
- There is also a self-contained flat adjacent to the main house.
- All bedrooms are en-suite with wet rooms.
- All the people we support have their own personalised bedrooms.
- There is a large, open plan, communal lounge.
- Large kitchen area leading to the easily accessible garden.
- Within walking distance to shops, pubs, cafés and local amenities.
- Good transport links locally, and the home has its own 7-seater vehicle for drives out.

Enhancing the lives of the people we support

Our Services

- Are outcome-focused and highly person-centred.
- Provide 24/7 residential care.
- Provide activities tailored to the interest of the individuals we support both in and out of the home.
- Are holistic, with person-centred care and support developed in collaboration with the people we support, their families and a multi-disciplinary team of health care professionals.
- Service and support are built around the needs of each, and every individual supported, from functional assessments and total communication to milestone setting and outcome measures.
- Length of stay at Forest Haven will be short term approx. 2 years, with regular reviews to adjust the programme to changing needs, with pathways to step down residential services or supported living after this time period.

The Team

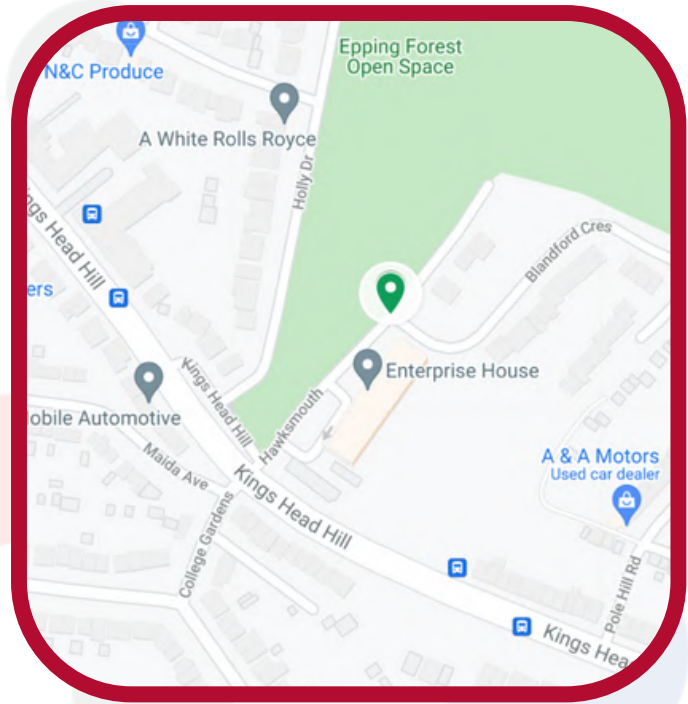

The team is led by an experienced Manager who manages a dedicated and committed staff team. The staff work proactively with individuals they support to identify areas needed to move on with their journey. All staff are trained in Positive Behavioural Support (PBS), Positive Management Support (PMS), Autism and Makaton. The team have access to the Organisation Behaviour Team to consult and support with complex behaviours.

"At Forest Haven, [a person we support] has been able to develop certain skills and step forwards towards independent living. He has moved to a lower acuity residential services with a plan to be able to live independently in a supported living environment."

- Forest Haven Manager

"I just wanted to give huge thanks to staff who gave them such a fantastic birthday. They really did go all out with balloons on the front door and bedroom door."

- Family member of individual we support
