## Introducing Greenfields Close

Greenfields Close is a residential care home in Nottinghamshire providing support for up to 26 adults with learning disabilities, autism and mental health needs. We support people individuals to lead full and active lives in which their individuality, independence, dignity and respect are maintained. We fully embrace person centred planning, ensuring the person we support is at the centre in the delivery of high-quality care and support.

The people we support at Greenfields Close are encouraged to participate in a wide range of activities of their interest and to try new things. These activities can include arts and crafts, quiz nights or movie nights. Community activities include bowling, cinema and leisure parks.

The home is situated outside the market town of Newark in Nottinghamshire. Home to the National Civil War Centre, a stunning riverside Castle dating back to the early 12th Century, Air Museum and a thriving, cobbled Market Place overlooked by its Georgian Town Hall, Newark offers an experience of English history through the ages alongside a tempting array of antique shops, cafés, boutiques, eateries and historic pubs.
