## Our Services

- Are outcome-focussed and highly person-centred.
- Provide 24/7 residential care.
- Provide activities tailored to the interest of the individuals we support both in and out of the home.
- Are holistic, with person-centred care and support developed in collaboration with the people we support, their families and a multi-disciplinary team of health care professionals.

## The Team

The Home is managed by a dedicated and experienced Manager. The staff are committed and focused on maximising the independence of everyone we support.

At a time that is right, we are able to offer a pathway to further independent living. This might include accessing one of our Supported Living or Outreach services.
