

Laverneo is a registered residential service rated Outstanding by CQC, that supports women of any age to thrive who have a physical and/or learning disability. We support people to be as independent as possible whilst receiving the specialist support they require, from a specialist adapted environment in Sunderland.

Introducing Laverneo

Our home is a large four-bedroom, accessible detached bungalow. We support people to access a wide range of activities they enjoy - this can include holidays in the UK and abroad, swimming and leisure, accessing life skills activities, and many other meaningful activities. People are supported to be as independent as possible including shopping for and planning their own meals, and take a full and active role in their home.

We carefully evaluate the needs of each person to ensure they get the right support and build bespoke packages around their needs. Our ultimate aim is to ensure that people are happy, supported, and living their best lives.
