Morley Road is a 24-hour residential home for up to 6 adults. We support people who live with learning disabilities, mental health support needs and physical health needs. We encourage people to embrace who they are and focus on their abilities, learning new things and reaching for the stars!

The people who live at Morley Road are supported to lead active lives and engage with our local community including attending Church services if they so wish and clubs and classes that help to showcase their individuality and promote independence. We fully embrace person-centred planning, enabling the person we support to be at the centre of the delivery of our highest quality care and support.

People living at Morley Road choose to participate in a wide range of activities, both in the home and in the community, from movie nights and exercise classes to meals out, day trips and theatre experiences.
