

Oakleigh Lodge is a vibrant 3-bed bungalow in a quiet area of Mapperley, Nottingham. We support adults with learning disabilities and physical disabilities to live their best lives.

## Introducing Oakleigh Lodge

The bungalow is fully accessible and each person we support has their own personalised bedroom. There is also a bathroom, large living area, kitchen, conservatory, and sensory room. Hoisting systems are installed throughout. To the rear of the bungalow is a fully accessible spacious garden with a sensory area. Situated in a quiet residential street, it is the ideal location for access to both local amenities and those further afield – with a great transport network nearby and Nottingham City Centre just four miles away. The service is in an area with great access to a bustling town centre as well as the nearby city of Nottingham on our doorstep. We also have our own minibus so trips further afield are a regular occurrence.
