

Oxclose Lodge is a 5-bed residential care bungalow situated in Nottingham, supporting adults with learning disabilities and physical disabilities with associated sensory needs.

Introducing Oxclose Lodge

The bungalow is fully accessible and every individual we support has their own personalised bedroom and en-suite. There is also a shared lounge area and gardens to the front and back.

The home is very close to local shopping centres and other local community amenities. There are good local transport links and the bungalow also has its own accessible transport to plan activities further afield.

About Oxclose Lodge

Here at Oxclose Lodge we pride ourselves on being a family. A family that cares, listens, and grows together. We look to plant seeds and enable growth within our cozy bungalow. We love to go out and make memories; celebrating parties, having chips by the river, or watching planes land at east midlands. We have a busy social life inside and out and our salutem team are made of experienced staff guided by a well experienced, approachable manager who has an open door. So pop along and come and see us. The kettle is always on.

At a time that is right, we are able to offer a pathway to further independent living. This might include accessing one of our Supported Living or Outreach services. We strongly believe that every person we support should receive the right level of care in an environment that meets their needs wants and wishes. Please talk to us about how we can work with you to develop a transitions package.
