

Penhayes House is a specialist residential location supporting young adults with autism, learning disabilities, and complex care needs within 4 self-contained flats. Our dedicated PBS team provide regular and ongoing support. The services embraces total communication and person centred active support approaches.

Introducing Penhayes House

The service comprises of 4 self-contained flats. The property is detached and benefits from generous gardens. Our dedicated PBS team provide regular and ongoing support to the individuals who use the service. The service provides a pathway for individuals discharged from hospital into the community.

About Penhayes House

- There are 3 flats upstairs and 1 flat downstairs.
- All bedrooms are en-suite, the flats can be adapted dependent on the needs. All of the flats are self-contained and include a kitchen.
- The home is located close to shops, a pub and restaurant. There are good transport links and the home has its own vehicle for drives out.

At a time that is right, we are able to offer a pathway to further independent living. This might include accessing one of our Supported Living or Outreach services. We strongly believe that every person we support should receive the right level of care in an environment that meets their needs wants and wishes. Please talk to us about how we can work with you to develop a transitions package.

Enhancing the lives of the people we support

Our Services

- Are outcome-focused and highly person-centred.
- Provide 24/7 residential care.
- Provide activities tailored to the interests of the individuals we support both in and out of the home.
- Are holistic, with person-centred care and support developed in collaboration with the people we support, their families and a multi-disciplinary team of health care professionals.

The Team

The team is led by an experienced Manager with many years of supporting people with learning disabilities and complex needs. The staff team are committed and focused on meeting the needs of the people they support.

"People were supported to have maximum choice and control of their lives and staff supported them in the least restrictive way possible; the policies and systems in the service supported this practice. Care plans were person centred and contained the relevant information staff needed to ensure people's needs were met. "
