

Penhayes is a specialist residential home in Kenton, near Exeter supporting adults with autism, learning disabilities and complex care needs.

## Introducing Penhayes

The service comprises of 5 individual flats, the property is detached and benefits from generous gardens. Our dedicated PBS team provide regular and ongoing support to the individuals who use the service. The service provides pathway for individuals discharge from hospital into community.

## About Penhayes

- The main building has 2 flats on the ground floor and 1 on the first floor.
- The annexe has 1 flat on the ground floor and 1 flat on the first floor.
- All bedrooms are en-suite, the flats can be adapted dependent on the needs. 3 of the flats are self-contained and include a kitchen.
- The main building has a large communal kitchen and lounge. There is a smaller kitchen in the annexe.
- The home is located close to shops, a pub and restaurant. There are good transport links and the home has its own vehicle for drives out.

At a time that is right, we are able to offer a pathway to further independent living. This might include accessing one of our Supported Living or Outreach services. We strongly believe that every person we support should receive the right level of care in an environment that meets their needs wants and wishes. Please talk to us about how we can work with you to develop a transitions package.

Enhancing the lives of the people we support

## Our Services

- Are outcome-focused and highly person-centred.
- Provide 24/7 residential care.
- Provide activities tailored to the interests of the individuals we support both in and out of the home.
- Are holistic, with person-centred care and support developed in collaboration with the people we support, their families and a multi-disciplinary team of health care professionals.

## The Team

The team is led by an experienced Manager with many years of supporting people with learning disabilities and complex needs. The staff team are committed and focused on meeting the needs of the people they support.

*"The service was well managed. There were effective quality assurance arrangements in place to monitor care and plan ongoing improvements. People's views about the running of the service were sought regularly and changes and improvements took account of people's suggestions. "*
