

The Ark offers day opportunities to adults with learning disabilities and complex needs. We specialise in supporting adults with profound and multiple learning and physical disabilities. The Ark has a building base situated in Basford, a northerly suburb of Nottingham.

## Introducing The Ark

The Ark supports people with learning disabilities and complex care needs, to lead active lives in which their individuality, independence, dignity and respect are maintained. We fully embrace person centred planning, ensuring the person we support is at the centre in the delivery of our high-quality care and support.

The people we support at The Ark are encouraged to participate in a wide range of activities of their interest. These include arts and crafts sessions, games and quizzes, sensory cinema, sensory cooking, reading, music sessions, and relaxing in the sensory room. Outdoor events include gardening, accessing the community, and enhancing daily living skills such as budgeting when going shopping at the local supermarkets.

## About The Ark

- The service has hoists to support people with mobility needs
- Has a sensory room which provides a therapeutic safe place for the people we support
- There is a large open planned communal lounge
- Large kitchen area where people are supported to get involved with cooking sessions
- Good sized garden, easily assessable to all
- Within short distance to shops, pub café and local amenities.
- Service vehicles are available for trips out.
- Nearby tram service to Nottingham City.
