The Beach consists of nine beautifully presented executive apartments situated in a prominent beach-side location in the village of Porth.

Introducing The Beach

The Beach provides accommodation for up to twelve individuals. Each south-facing apartment is able to accommodate a maximum of two individuals, but offers the flexibility for single person services if they are required. Each apartment has a balcony with views over the beach, an open plan lounge with dining and kitchen areas, two bedrooms (one en-suite and the other with a dedicated private bathroom), and a utility room.

The Beach also provides a communal lounge for the use of everyone, so individuals can enjoy a combination of private living and the opportunity to interact with others and develop their social relationships. There is an open recreational space to the rear of the building.

One of the apartments has been tailored to suit a person who wishes to live more independently but still within a residential framework. This apartment has its own entrance, two bedrooms with their own bathrooms, and an open-plan kitchen, diner and living room with balcony overlooking the beach.

About The Beach

The Beach is situated right opposite the beach with small cafes and pub on the same road. The main town and access to all amenities are in walking distance.

Local transport is outside The Beach with links to Newquay, Truro and surrounding areas. There is also private transport which support staff will use to go further afield.
