Introducing The Highlands

The Highlands is a spacious residential 14 bedroom home located within a reasonable distance to Sunderland, Newcastle, Gateshead and Durham and the fantastic leisure and entertainment facilities they provide. At The Highlands, we empower the independence of the people we support, because we truly believe all people are capable of achieving the extraordinary. That's why we provide a care support partnership with the people we support tackling activities of everyday living, guided by the person's individual needs and wants. Together, we develop the individuals we support's existing skills and help in learning new ones, encouraging independent living.

About The Highlands

- Private en-suite bathrooms which can be personalised to individual tastes.
- Shared access to communal areas such as our two lounges, lounge diner, bathrooms, wet rooms and passenger lift.
- Access to leisure and entertainment facilities from neighbouring towns, in addition to a split level garden, accessible from both lower and upper floors

At a time that is right, we are able to offer a pathway to further independent living. This might include accessing one of our Supported Living or Outreach services. We strongly believe that every person we support should receive the right level of care in an environment that meets their needs wants and wishes. Please talk to us about how we can work with you to develop a transitions package.
