

The Old Orchard is a picturesque 5-bedroom bungalow situated in the large village of Radcliffe-on-Trent, overlooking the River Trent. We support adults with cerebral palsy and associated learning difficulties.

Introducing The Old Orchard

The home has five, fully-accessible bedrooms, all with en-suite bathrooms. There is an open-plan kitchen and dining area and a communal lounge. We have a large garden where we are fortunate to have a large summer house with electricity and heating, which means we can use this all year round. The local area also has lots of lovely countryside to explore and small shops, cafes and pubs to socialise in.

About The Old Orchard

- All of the bedrooms at The Old Orchard are decorated to individual tastes and needs of the person we support.
- Individuals are supported to lead active lives in which their individuality, independence, dignity and respect are maintained. We fully embrace person-centred planning, ensuring the person we support is at the centre of the delivery of our high-quality care and support.
- We enjoy trips out to the Seaside and wildlife parks and we also enjoy entertaining friends and family at our home.
- Our home is within walking distance to the local village where the people we support enjoy frequenting the local independent bakeries to sample the finest of the cakes they offer.

At a time that is right, we are able to offer a pathway to further independent living. This might include accessing one of our Supported Living or Outreach services. We strongly believe that every person we support should receive the right level of care in an environment that meets their needs wants and wishes. Please talk to us about how we can work with you to develop a transitions package.
