

Tobias is a residential home for up to 7 adults with learning disabilities, autism and complex needs, including behaviours that challenge.

Introducing Tobias

Tobias provides support for individuals who have a diagnosis of a learning disability and who may also have autistic spectrum disorder with associated sensory needs. The team specialise in supporting people who have complex needs including positive behaviour support. The team are experienced in supporting to reduce restrictive practices.

Tobias has all en-suite rooms in a shared setting with generous sized rooms. The service benefits from a garden to the front of the house as well as surrounding the building.

There is a total communication ethos and the staff team are trained in a range of communication skills including Makaton and BSL. People we support may need assistance with day to day living such as accessing the community and independent living skills such as preparing meals and maintaining good hygiene standards. Support packages are tailored to individual assessed needs.

Our Services

- Are outcome-focussed and highly person-centred.
- Provide 24/7 residential care.
- Provide activities tailored to the interest of the individuals we support both in and out of the home.
- Are holistic, with person-centred care and support developed in collaboration with the people we support, their families and a multi-disciplinary team of health care professionals.

Our Team

Tobias have a highly experienced and resilient staff team who are highly adaptable.

At a time that is right, we are able to offer a pathway to further independent living. This might include accessing one of our Supported Living or Outreach services. We strongly believe that every person we support should receive the right level of care in an environment that meets their needs wants and wishes.

Please talk to us about how we can work with you to develop a transitions package.

"Our son is very happy here and tells us when he comes for a home visit. We are very happy with the care that our son receives and the communication - we are always kept informed."

"We appreciate what the staff and management have done for both our son and his family, especially through the pandemic, supporting home visits and maintaining relations."

- Family members of people we support
