"Our son is a resident at Warrington Road and we'd like to share how grateful we are to ALL the staff for keeping our son and his other house mates safe in these very unpredictable times. You can be very proud of this service.

As parents, we have been reassured every step of the way that our son is in good hands. The staff at Warrington Road are very caring and most have worked there a long time. They recently recommended a Facebook Portal which can connect to his TV and enables him to see us and talk to us on a bigger screen.

I cannot thank the staff enough for putting our minds at rest during this difficult time."
