Introducing Westacres

The home is set on the outskirts of the town of Basildon, Essex within walking distance of the town centre. There are six en-suite bedrooms, with two bedrooms on the ground floor suitable for wheelchair users.

Every individual is supported to create a person centred support plan which is designed to empower them to build on their existing skills. Our staff team focus their support on encouraging individuals to become more independent, and help the people we support to develop life skills such as shopping and meal preparation, as well as helping them to access educational and leisure activities of their choosing.
