

Blue Cedars is a registered day service offering support Monday to Friday 9 am to 5 pm. We specialise in supporting those with a primary diagnosis of learning disabilities and autism and who require day-to-day support. Blue cedars is situated in the City of Birmingham.

## Introducing Blue Cedars

Our day service welcomes adults over the age of 18 who have been diagnosed with learning disabilities, and autism, as well as individuals with visual and hearing impairments or who have profound and multiple complex learning disabilities.

The people who attend the day service are supporting up to 25 adults to enhance their life skills and integration into the community, we offer outdoor and indoor activities and plan many big group days out with the individual's choices at the centre. These include arts and crafts, cooking sessions, sensory play, pampering sessions, and trips out in the community including visits to Sealife Centre, bowling, parks, restaurants and many more.

One of our many local attractions is Cannon Hill which is 3 3-minute drive away or a nice 15-minute walk from the center It is the most popular park in the city, covering 250 acres consisting of formal, conservation, woodland and sports areas. Nature centre with reptiles and birds to furry favourites like monkeys. You can enjoy a lovely train ride all around the park which shows the beauty of the park.

People who attend the day centre are encouraged to lead active lives in which their individuality, independence, dignity, and respect are maintained. We fully embrace person-centred planning, enabling the person we support to be at the centre of the delivery of our highest quality care and support.

## About Blue Cedars

Enhancing the lives of the people we support 

## Our Services

- Are outcome-focused and highly person-centred.
- Provide Monday to Friday day centre support.
- Provide activities tailored to the interests of the individuals we support both in and out of the service.
- Are holistic, with person-centred care and support developed in collaboration with the people we support, their families and a multi-disciplinary team of health care professionals.

## The Team

The team is led by an experienced Manager with many years of supporting people with learning disabilities and complex needs. The staff team are committed and focused on meeting the needs of the people they support.

*"The registered manager operated an ethos of always striving for excellence and staff found this greatly motivated them. People and relatives said staff excelled at their jobs and always went above and beyond in delivering care. This had led to people having exceptional experiences. People had become integral to the community and were welcomed to local community events."*
